

Sherry Hertel

Sales Manager Sherry Hertel joined the Southern Counties Express team four years ago. Since that time she has been responsible for SCE sales activity and account maintenance. In addition to those duties Sherry played an integral role in developing the Green Fleet, SCE's answer to greener trucking. For Green Fleet, she will continue to oversee sales and account maintenance, promote innovative new greener trucking solutions and work closely with partner shippers wishing to support the clean trucks.

Prior to joining the SCE team, Sherry was Senior Account Executive with "K" Line America in Huntington Beach, where she was employed for six years and spent another 20 years working for Steamship Lines, predominately in the Asian import market. Sherry obtained a Global Logistics Specialist designation from CSULB and serves on the Los Angeles Transportation Club Board of Directors as a past President and current Advisor.
